INTERCETTARE NUOVI MERCATI PER UNA PUGLIA365

Benvenuti a questa quarta edizione del Buy Puglia, il più importante appuntamento di business turistico di respiro internazionale della regione.

Intercettare nuovi mercati a grande potenziale di sviluppo per il turismo pugliese e proporre, anche nei mercati già consolidati, una Puglia365, da scoprire tutto l'anno, anche fuori dalla stagione estiva. E' questa una delle novità della quarta edizione del Buy Puglia che scaturisce dal Piano Strategico del Turismo. Il Buy Puglia rappresenta uno strumento per agevolare gli operatori pugliesi, non solo a incontrare la domanda di nuovi mercati e a consolidare quella dei mercati di riferimento, ma a stimolare un approccio al mercato estero fatto di strategie mirate e di lungo respiro in modo da rendere sempre più competitivo il sistema turistico pugliese. Una strategia mirata che scaturisce proprio dal Piano Strategico per il Turismo Puglia365 è quella di puntare su una Puglia aperta tutto l'anno. Sono proprio i turisti stranieri che la apprezzano anche fuori stagione. Per questo concentriamo il massimo sforzo nel proporre al Buy Puglia quest'anno la Puglia 365 giorni all'anno, sia sui

mercati internazionali consolidati, che su quelli a grande potenziale di sviluppo. I dati sui flussi turistici ci dicono che l'internazionalizzazione del turismo pugliese ha un trend di crescita deciso e costante (+60% dell'incoming dal 2007); le prime stime dell'Osservatorio regionale sul Turismo confermano un'ulteriore crescita del turismo straniero in Puglia: + 9% nei primi nove mesi del 2016 (sia per gli arrivi che per le presenze) rispetto a gli stessi mesi del 2015, e un + 8% di strutture ricettive. Con il Buy Puglia 2016 vogliamo costruire nuove opportunità per il territorio e le nostre imprese; per questo, oltre al workshop BtoB, sono molto importanti gli itinerari che consentono ai buyer internazionali di vivere in due giorni una esperienza della Puglia fuori stagione. Il momento ci sembra particolarmente favorevole per una operazione promozionale di questo tipo. Il mondo del turismo mostra una grande vivacità e fra le tendenze si nota una decisa preferenza per gli short break in luoghi autentici, fuori dai circuiti di massa e in periodi di minor afflusso turistico. È in questo scenario che la Puglia si lancia per intercettare la sua fetta di mercato puntando sulla promozione.

Quest'anno oltre 110 imprese del turismo pugliesi stringeranno accordi commerciali e nuove trattative con più di 100 buyer provenienti da 33 Paesi, alcuni ormai mercati consolidati come la Germania, la Francia e il Regno Unito e fuori Europa gli Stati Uniti, ed altri emergenti fra cui spiccano in Europa Repubblica Ceca, Norvegia, Svezia, Finlandia, Danimarca, Estonia e Lituania ed oltreoceano Canada, Brasile, Giappone, ma anche Cina, Argentina, Russia e India. Grande la collaborazione con Aeroporti di Puglia. Otto le compagnie aeree che saranno presenti: Mistral Air, Aegean Airlines, Airberlin, Air Dolomiti, Alitalia, Volotea V7, Turkish Airlines, Transavia/KLM/Air France. Un ringraziamento particolare va come di consueto anche alle numerose imprese del territorio che hanno offerto il proprio supporto con servizi in co-marketing per l'organizzazione dell'evento, dall'ospitalità dei buyer nella propria struttura ai servizi di ristorazione e transfer.

Buon Lavoro!

Loredana Capone
Assessore all'Industria Turistica e Culturale Regione Puglia
